Head Teacher's Comments

Dear Parents and Carers,

We have had a lovely week in school, busy as ever.

Key Stage Two made us all very proud with their Christmas production of 'Christmas...snow problem', on Monday. The church looked beautiful and it was lovely to be able to host a live show. Thank you for understanding in providing track and trace details and wearing face coverings.

On Tuesday, we welcomed Kendal Fire and Rescue to deliver some first aid to KS2. Sadly, they were called out to an emergency, so Mrs Pearson and Mrs Bone stepped in and delivered a refresher of some basics. Such an important life skill!

Local business lady, Jen Braithwaite joined us in school on Wednesday to launch the local project 'ThinkifNow'. The project aims to educate local children about sustainable living and recycling. Every child made a lantern using recycled milk bottles. These will be displayed this Christmas to brighten up local homes. St Marys and St Martins also joined this project.

PCSO Sarah Blacow joined us on Thursday for the official launch of our Mini Police. The children are super excited to start community projects in the new year. Beware- the children will be out with a speed gun soon!

Today we have completed our sponsored Reindeer dash for St. Johns Hospice, Ulverston. We entertained the streets of Windermere with our singing. Did you hear us? If you can sponsor your child, any amount is most appreciated.

Please can we ask (as per the DOJO post) that you only send your child to school if they are feeling well. If your child has any COVID symptoms, please test them appropriately. Thank you for support in keeping our school community safe.

Please remember, school closes at 2pm on Friday 17th for Christmas, therefore there will be no after school clubs running on this day. Also Mrs Osborne's Craft club on Tuesday has now finished.

Stay safe,

Mrs Bone and Mrs Tansey

DIARY - December 2021
