

FRIDAY NEWSLETTER

12th of March 2021

Dear Parents and Carers,

Head Teacher's Comments

What a fantastic week we have had! School has been such a happy place to be, with all the children back where they belong; engaging in their learning enthusiastically in their classrooms and playing with their friends.

It was lovely welcoming Sarah from Cumbria Music Hub and also our PE coaches Mr Moorhead and Mr Dixon back into school.

To celebrate National Science Week, we've had a fun, hands-on, science-filled morning. We've been making lava lamps, forming clouds and brightening up our garden with beautiful bulbs, which were donated by a very generous parent.

Next Friday (19th March) is St. Joseph's Day, we are inviting all children to wear something red to help us celebrate the day. There is no obligation to bring in a donation, but any money raised will be donated to CAFOD.

LATERAL FLOW TESTS FOR ADULTS AT HOME: The government have made tests available for parents at home, as a means of further reducing community infections of covid-19. All staff in school, along with visiting teachers, are testing twice a week. It is a relatively non-invasive process and offers our whole community reassurance. If you would like to take part in this scheme, the link is <https://find-covid-19-rapid-test-sites.maps.test-and-trace.nhs.uk/>

Please keep DOJO's on your devices and check it regularly, we will be using this platform regularly to communicate with you, upload homework and, if you need to self-isolate - we will upload school work too.

Thank you so much for the support you have given your children to help them make such a fantastic start back to school this week.
Enjoy the weekend,

Mrs Bone and Mrs Tansey
Head of School & Executive Head
