

FRIDAY NEWSLETTER

18th of September 2020

Dear Parents

What a lovely week we have had. The warm weather and sunshine has made a welcome change and we have been making the most of outside. We have been able to celebrate our assemblies on the playground this week and all the classes have been outdoors as much as possible. From hands on maths with the Trailblazers, to hunting for dinosaurs with the Explorers - the playground has been a real hive of activity.

Last week, we held the hustings for School Council and Heads of School. Congratulations to Neve and Lili who are our Head Girls for this year. Well done girls. The School Council, with Julia, Bua, Lena G and Olivier leading the way, have helped to plan our 'Jeans for Genes' day today. We spent the morning working outside in our new house teams - Matthew, Mark, Luke and John. See if your child can remember which group they're in and ask them the fun activities we joined in with.

Some of our children visited Larkrigg Riding School on Thursday. The children had a fantastic riding lesson and, as ever, made us very proud by their exemplary behaviour.

Thank you if you have already signed up to Class Dojos. Letters have been sent home with unique codes on for your child / children. It is important that you engage with Class Dojos, if possible. We are using this as a communication aid between Class Teachers and parents and will be uploading homework and activities via Dojos too (Class Dojos is a free app).

We would like to welcome our student teacher, Miss Gater into the Trailblazers class, she will be with us part-time until Christmas. Football Club starts after school today, we are sure that the children will enjoy the club.

Many thanks again for your support and we hope you enjoy the sunshine.

Mrs Tansey & Mrs Bone
