25th of September 2020

Dear Parents and Carers

We hope you are all managing to keep safe. We have had yet another busy week at St. Cuthbert's.

On Wednesday, Reception - Year 6 joined Father Kevan in Church for a lovely mass to start the new term. The children showed immense respect and courtesy whilst in Church. We were very proud of all the children, especially the Year 6's who all confidently read a bidding prayer.

This week, some of the children have been back in the Parish Hall for their lunches, now the building work is virtually complete. It is lovely to be back to some normality at lunchtime.

Yesterday, we held our first ever virtual PFA meeting. The minutes from the meeting will be on the website soon. The PFA are always looking for new friends and parents to join them and to help raise money for school. It would be lovely to see some new faces, as now, more than ever, we need new and creative ideas to help raise funds in 'different' ways. Please get in touch if you would be interested.

Next week, we have another busy week planned. Art Club with Mrs Twist starts on Monday - as the course was oversubscribed we have allocated places for clubs on either side of half-term to avoid any disappointment.

On Monday, we are inviting children to come to school in the colours of ANY European country, to help us celebrate European Language Day. We do not want you to go to any expense for the day and are aware that the Detectives and Trailblazers will need to wear PE-friendly clothes too.

Although a while away, we are looking ahead to Wednesday 7th of October, which is National Poetry Day. We are inviting children to learn a short poem (of their choice, but age appropriate) and either bring into school to read aloud or we would welcome you to send us a video of your child reading the poem via Class Dojos, so we can share the performance with our school community.

If you haven't yet engaged with Dojos, please could you. If you are struggling or if you need a replacement code, please get in touch.

We wondered if there are any parents who could help us with a few jobs at school? The steps at the back of school are in need of a good clean, after months of being out of use. Do any of you have a jet wash that we could borrow, so we can 'de-moss' them? If anyone could spare some time to help us, we would really appreciate it.

Please remember to maintain social distancing when dropping off your child. If space is an issue on the pavement, please use the playground, staying behind the red line. Many thanks, as always, for your support,

Mrs Tansey & Mrs Bone
Executive Head Teacher & Head of School
