## Head Teacher's Comments

Dear Parents and Carers,

We have enjoyed our last session of forest schools today. The children noticed a few changes in the woods, which were unfortunately damaged in the recent storms. Knowing how special one of the trees was to us, Ro would like to use some of the wood to make a sculpture for school. Such a lovely and thoughtful gesture.

The storm sadly caused damage in our playground too. Amongst other things, the EYFS clear screen is sadly damaged beyond repair. We will hopefully be able to arrange an event to raise funds to replace this. Although very basic, the screen offered protection from the weather for our children.

We all enjoyed watching Pinocchio yesterday, at the Box theatre in Kendal. Kendal College always put on a wonderful show and we are very grateful we were invited.

The Explorer Christmas performance was superb yesterday and we hope you enjoyed it, if you were able to join us. Well done to all the children and staff in EYFS / KS1. KS2 are performing on Monday at 2pm in the church.

Next week, we are starting our Christmas community recycled project. If you have any 2/4/6-pint plastic milk cartons, please send them into school.

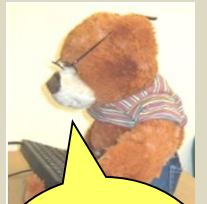

We are also welcoming Cumbria Fire and Rescue into school next week when they are going to spend some time with each class, delivering essential basic first aid skills.

Our governors have been reviewing what we charge for our school meals and recognise that we have held the price at £2.50 for at least two years. Reluctantly they have taken the decision to increase our price to £2.70 per meal from the spring term. This is in line with what other schools locally charge.

We hope you all enjoy the weekend, stay safe.

Mrs Bone and Mrs Tansey

### ATTENDANCE TEDDY AWARD

WOW!  
Amazing, year 1 & 4. that's fantastic!!

What a performance EYFS / KS1..... we are so proud of you ALL. #teamcuthberts
