

FRIDAY NEWSLETTER

6th of November 2020

Dear Parents and Carers,

We hope this newsletter finds you all well, despite the National Lockdown and all the uncertainties at the moment. We feel very fortunate to still be open and to be able to provide our usual exciting and engaging curriculum for your wonderful children. We will continue to follow all the government health and safety guidance to ensure school is as safe as it can be. We are kindly requesting that you wear a face covering (if you are able) and also to remember to socially distance when dropping off and collecting your child.

Unfortunately, as instructed by the DfE, we're having to temporarily stop our Monday Art & Friday Football clubs, for the duration of the national restrictions. We'll refund any money. If you do rely on this childcare due to work commitments, please see Mrs Bone and we'll arrange an alternative. We will run a lunch time art club so children can still complete the exciting crafts that Mrs Twist and Mrs Osborne had planned.

It is very easy to forget all about the worries outside of school sometimes. School has been such a happy place this week; with lots of exciting activities and lessons taking place. Next week, our 'Boxes of Hope' are being collected, if you have one to donate, please return it by Monday 9th of November. Christmas card orders are also being posted on Monday.

Please remember that your child/ren need to be in school to continue their learning journey with their teachers. However, if they have to self-isolate, school will provide work so they can continue learning at home (as long as they are well enough to do so, of course). Hopefully this will not occur very often, but so you know, we are ready if this happens.

If anyone has any concerns please share these with us so we can work together and hopefully address them.

Enjoy the weekend and stay safe,

Mrs Tansey & Mrs Bone
Executive Head Teacher & Head of School
