Making yummy treats at Cooking Club

Dear Parents and Carers,
Another week passes and what a busy one it has been...

Congratulations to our KS2 Hockey team who won the inter school tournament at the Lakes school on Wednesday. Fantastic.

The Explorers have been busy working on their animal topic, they welcomed Alex the vet into school on Tuesday. Alex told them all about how to look after animals and how to keep safe around them too.

KS2 have been busy monitoring the eggs in class and are egg-cited for their pending arrival... watch this space.

The Detectives and Trailblazers spent the day in the forest on Tuesday. The children learnt lots linked to their current topic 'Extreme Earth'. The children built dams in the river to learn about flooding, they constructed volcanoes and saw the potential destruction of forests due to fires.

KS2 also wrote some amazing diary entries during RE this week, after studying the story of the Resurrection. Well done children.

Mini Police have been out in force this morning. They have displayed the winning posters, reminding dog owners to pick up after their pets.

After school clubs were busy this week. Gardening, Cooking, Art and Lego Club are always a massive success.

Please remember school is closed on Monday May 1st, due the bank holiday. School is also closed the following week for the Coronation (Monday 8th May).

Children are invited into school on Wed 4th May in Red, white and blue. We are hosting an afternoon street party with games in our playground for all our children. Class teachers will let you know how you can contribute to the party if you are able.

Year 1 & 2 have been learning how to make a weaving pattern

Thank you, as ever, for your support,.

Enjoy the long weekend,

L. Bone
