Friday Newsletter

Friday 19th April 2024

Dear Parents and Carers,

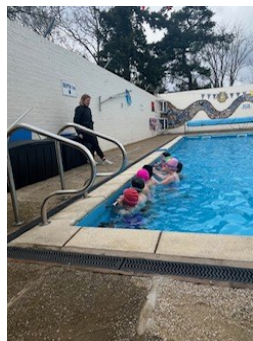

The first week back has flown by and the children are enjoying settling back in to routines and playing with their friends.

The Explorers are enjoying their new topic all about -They started their new class book this week too. The children made their own very cool Pet potatoes week, based on their boom "Pet Potato". Take a look at the photographs, they're so creative.

Key stage 2 are also straight back into loving their learning. Their topic is 'Emperors & Empires'!

The children also enjoyed their first swimming session. They always enjoy their weekly sessions, using the outdoor pool at St Martin and St Marys.

Today we celebrated Mary, the Saint of the Mater Christi Trust, our Academy.

Next week is a busy one. On Monday afternoon the year 6 children are visiting Windermere fire station for Junior Citizen week. They will be joining other local year 6's.

On Tuesday Key Stage 2 are at Forest Schools and the Explorers are there on Thursday. On both days children will need dropping off at the forest as normal, before walking from St Catherine's Wood to Common Farm. These sessions will be really hands on and I am sure the children will all enjoy themselves. Thank you to Ro for organising these and sourcing the funding for these farm sessions. We are really looking forward to them.

Please keep an eye on key events on DOJOs, as we have lots going on.

Thank you for your patience this week whilst we move across to our new meal ordering system.

The children are loving the new menus and the exciting new meal choices, there are lots of clean plates....

Massive thanks to the PFA who have started selling ice creams after school on a Friday to raise funds for school.

Have a lovely weekend,

L. Bone
