ONE FAMILY, ALL WELCOME

HeadTeacher's Comments

Dear Parents and Carers.

We have had a very busy week in school.

KS2 have been dissecting flowers in Science

Bathing Badger at Afterschool Club

Today we all came to school in our own clothes. We are helping our Parish raise funds for CAFOD, to buy a cow for a village in need in a third world country, through World Gifts. The cow will provide vital milk to families and they can also use the manure to boost crops...

So far, the Parish have raised £58 of £150, with our donations of £60.07 the total is now £118.07. Thank you so much for your support.

All of our children, from Nursery - Year 6 had a go at playing wheelchair basketball with world champion wheelchair basketball player Nat Pattinson, who came to school on Thursday armed with a set of wheelchairs. This is Nat's second visit to St. Cuthbert's. Nat did an incredible job in raising the children's awareness of disability in sport and all the children (& staff) had a fantastic time learning to play wheelchair basketball, whilst developing skills of perseverance and collaboration as they played. Nat is a sporting legend & has represented his country in world championships, has won countless medals and been able to travel the world with his sport. Massive thanks to our PFA who paid for Nat to visit us. We have already penciled his visit for next year.

Mrs Quinn joined many others at the Requiem Mass for his Holiness Pope Emeritus Benedict XVI on Tuesday evening, with Bishop Paul. Mrs Quinn lit a candle for the Pope and left some prayers the children had written for his Holiness. May he rest in peace.

The Explorers are in the forest next Wednesday. We love our sessions with Ro at the Footprint building. We are also having a full day of cricket next Friday! We are welcoming Cumbria Cricket into school who will work on key skills which will lead to a match. Weather permitting, we will be using Windermere Rugby Club to carry out our sessions. We are always very grateful for their support in allowing us to use their facilities.

I hope you have a lovely weekend and you stay dry,

Take care,
Mrs. Lucy Bone
