St. Cuthbert's
CATHOLIC PRIMARY SCHOOL
ONE FAMILY, ALL WELCOME

Headteacher's Comments

Dear Parents and Carers.

We have had another wonderful week at St. Cuthbert's.

On Tuesday our Mini Police spent the afternoon litter picking on the Rec. We were joined by the Mini Police from St. Mary's and St. Martin's. Many thanks to PCSO Sarah Blacow for arranging such worthwhile community events for our children to be part of. The children could not believe the amount of rubbish they found, despite there being several bins nearby! Our next project is designing posters to display around the park and surrounding areas, encouraging dog owners to be responsible and clean up after their pets. (The children know that most dog owners do pick up after their pooches) Thanks for our Mini Police for keeping Windermere clean.

Year 5 were treated to a top class performance of FAME at QKS in Kendal. They were joined by lots of other local schools. Our children said it was 'the best play ever...'. Thank you to QKS for inviting us.

The Year 5 and 6 children are looking forward to their residential next week. We are heading to Castlerigg Manor, which is owned by the Diocese of Lancaster. We are all very excited to be able to explore Keswick and the surrounding area as well as having the opportunity for self-reflection and team building activities. We can't wait to tell you all about it.

On Monday (30/1/23), children are invited to school dressed in numbers, as we hold our annual NSPCC Number day. The School Council will be organising maths related activities and we are raising money for extra maths resources in school.

Please can I remind all parents that our children have access to multiple Educational subscriptions. In their reading records, they have log ins for TT Rock stars, Reading Eggs and Study Ladder. Please encourage your child to use these sites as they will really help them secure their knowledge and skills. Please also remember to write in your child's reading record when you read at home. We aim for 5 comments a week. 5 comments mean 5 dojos and a Headteacher award.

The year 6 children have been arriving at school at 8.30 every day for 30 minutes of extra maths. 2 ½ hours a week soon adds up. Keep up the good work Year 6's - every little helps...

I hope you have a lovely weekend,

L. Bone

Lucy Bone
Headteacher at the
BEST PRIMARY SCHOOL in Cumbria.

KEY DATES FOR YOUR DIARY

Daily Maths until May—Year 6 children invited to Extra Maths at 8.30am

Mon 30th Jan—NSPCC Number Day
