Headteacher's Comments

Dear Parents and Carers,

I hope you've all had a lovely week.

The children have been enjoying various Afterschool Clubs this week

Once again school has been a bustling hive of activity; On Monday we celebrated Green Heart day. This day is always special as it gives us the chance to reflect on how we can look after our beautiful planet. All the children came up with their own pledges, which details how small changes can have a massive impact. If they haven't already told you what they have pledged, ask them to see if they can remember.

Three children from KS2 spent Thursday at the annual climate summit in Kendal, they joined many other local schools at QKS. The children shared what we do as a school to help protect God's planet through our Laudato Si group and they also took part in a carousel of activities including; a biodiversity workshop, building a bug hotel & a nature journaling activity. They were also taught how to identify different species using an App, which we hope to use school wide from September. Many thanks to Queen Katherine School and CDEC for hosting.

On Wednesday, the Mini Police joined PCSO Sarah Blacow to plant up some beautiful flower pots in the library garden. The children also completed a litter pick. Library gardens are looking great. Many thanks to Windermere town council for their kind hospitality; the biscuits and the juice.

The Trailblazers have enjoyed their concluding session with Any from Playful Nature. The children loved completing work on their Nature Journals & discussing their emotions and checking in with themselves.

Our Nursery & EYFS open morning was a success. Many thanks if you were able to join us.

Mrs Meyerhoff, our new Explorers teacher is coming to spend the afternoon with us on Monday, followed by a 'meet the teacher' session at 3.30 with parents, please join us if you can. She's really looking forward to starting in her new role.

This afternoon it's our summer fete. I'm sure it'll be a great success as always. Thanks to our PFA for organising the event.

Next week is busy.

Please check key dates for what's on. Leavers and end of Year assembly is Thursday 13th at 14.00 in KS2, followed by PFA Ice creams and a circus club performance on the playground at 15.15. Leavers mass is on Wednesday 17th July in church at 9.30am. There will also be a special assembly at 11.00am on Wed 17th in KS2.

Many thanks as always for your support,

Enjoy the weekend,

Mrs Bone
