## Headteacher's Comments

Dear Parents and Carers,

I hope you all had a wonderful break last week, the sunshine certainly made it all the more enjoyable.

Massive thanks if you were able to join us on our 'Community Help Out' day on Thursday 1<sup>st</sup> June. School was bustling with volunteers, who helped us clear over ten tonnes of garden waste, as well as completing lots of other DIY and garden jobs. I am so grateful for help and support from members of our school community. As a small token of our appreciation, we hosted a BBQ and made sure all our busy volunteers were fed and watered throughout the day.

If you pass school, I am sure you will notice how neat and tidy it is looking.

Sports day was a definite highlight this week. Thank you so much if you were able to join us, we hope you enjoyed the morning. Thank you also to Rufus and Caleb's Mum for providing us with Ice Pops. The children were very appreciative of the refreshing treat.

I am always so proud of our children and sports day was no exception. They are always so supportive and helpful towards one another.

Thank you to Miss Brownsord for organising the event. We are also very grateful to Windermere Rugby Club for allowing us to use their facilities.

Did you make it to Country Fest? Did you see our amazing entries in the school tent? We won a 'special award'. Thanks to Mrs Quinn, Mrs Pearson and Gardening club for working so hard preparing our entries. Another rosette for our collection!!

This week all the children have enjoyed settling back into their routine. The Explorers are loving their Seaside topic and KS2 have started their exciting topic, The Anglo-Saxons.

On Monday we welcomed Claire from Yogi Grow. Every class enjoyed a relaxing YOGA session- just what they needed on the first day back...

The children loved being entertained by Andy, from Jesters on Tuesday. Andy is delivering a circus skills club after school from next week. There's still places available.

Over the next couple of weeks, the Year 4 children will be completing the Multiplication check and the Year 1's will be carrying out the Phonics screen check. Good luck children!

The Year 6's loved receiving their Leavers hoodies, which the PFA very kindly purchased for them. They also loved their treat this afternoon. Myself and Miss Brownsord took the children to the local park and also Café Italia for a delicious treat. As always thank you to Café Italia for their kindness, hospitality and support.

As per my DOJO message; Bishop Paul will be at Mass on Sunday. He is joining us to officially welcome Father Ajish into our Parish. You are very welcome to join us at 11.15am.

Please keep a close eye on DOJO's for upcoming events, as the calendar is very busy at this time of year.

I hope you all have a lovely weekend,

*L. Bone*
