Headteacher's Comments

Dear Parents and Carers,

What a beautiful sunny week we have had. The children have enjoyed playing outside but also the coolness of the classrooms. The hot weather is set to continue into next week, please can I remind you to send your child to school with sun cream, a sun hat and also plenty of water.

We enjoyed welcoming Bishop Ephrem to Mass last weekend. The Bishop was visiting the Parish to officially welcome Father Ajish, it was a joyous celebration.

The Mini Police visited the Lake Wardens on Monday, learning all about keeping safe on the water. A highlight was definitely a ride on Windermere in their boat.

Thank you to PCSO Sarah Blacow for arranging our sessions. At our next meeting, we are planting up the wooden planters at Library gardens and also hopefully using the speed gun to monitor speed through our village.

The Explorers have been enjoying their Seaside topic this week. They have especially enjoyed relaxing on the inflatables with their reading books. How lovely!

KS2 loved water sports on Wednesday. The children enjoyed either paddle boarding, sailing or kayaking. The children also cooled off by jumping into Windermere at the end of their session. Well done children, the instructors were very impressed.

The PFA met this week and have planned lots of exciting events for the next few months. Keep an eye on key dates.

The summer fete has been confirmed for Friday July 7th.

There will be a mufti day on Friday 30th June, in exchange for a 'bottle' (of anything) as a tombola price. More details to follow.

The PFA will also be selling ice lollies after school every Friday for £1, to raise funds for the school. Massive thanks to Mike and Kylie who have very kindly donated the first weeks ice lollies.

Please remember school is closed on Friday 23rd June for a whole staff inset day. We are welcoming Read, Write Inc into school for the day.

I hope you have a lovely weekend, stay cool and stay safe
