St. Cuthbert's
CATHOLIC PRIMARY SCHOOL
ONE FAMILY, ALL WELCOME

Dear Parents and Carers,

I can't believe how quickly this half term has gone. I am sure all the children are ready for a break as they have all worked so hard in school. Teachers are very impressed with the progress the children have made and look forward to sharing their hard work with you at parents evening.

School has been busy this week. The children enjoyed their 'spooky' disco on Wednesday. Many thanks to the PFA for organising such a fun event.

The children all enjoyed YOGA this week. They all look forward to their weekly sessions, where they have the opportunity to relax and contemplate. We are looking forward to YOGA continuing after half term.

The Explorers have been learning all about length and symmetry in maths. They had great fun measuring one another and estimating one another's heights. The Explorers also learnt about the waterproof properties of different materials and placing the items into a Venn Diagram. KS2 have been enjoying learning about 'The Fall' in RE with Mrs Murray. They have also been thinking about our next Gospel Value which Thankfulness. In Geography they have been learning about the different layers of the Earth and Tectonic Plates.

The Mini Police joined PCSO Sarah Blacow and Police Constable Becky at Windermere Police Station this week. The children were given an fake scenario where they had to break up a fight, arrest the suspect and help the injured party. Thank you to South Lakes Police for arranging these memorable activities.

Please make a note of key dates below as dates for the Explorers Christmas play and also the KS2 Christmas performance have been confirmed.

Our open morning was a great success, thank you if you were able to join us- a reminder we do have places in most year groups, please contact the office for more information.

Toddler group also came up to join us for the morning. We love welcoming the younger ones for the session.

I hope you have a lovely and peaceful break and look forward to welcoming you back on Monday 30th October at 8.45.

Take care

L. Bone
